A Publication of the River Park Neighborhood Association

Our vision is a safe, attractive community where residents feel proud, are connected to one another, and engage to better the neighborhood. We meet each month on the second Thursday of the month, via Zoom at 7 p.m. Send us an email with [SBRiverPark@gmail.com](mailto:SBRiverPark@gmail.com). **Amazon Smiles On River Park:** When making a purchase on Amazon, you need to go to [Smiles.Amazon.com](https://www.amazon.com/smiles) instead of the regular Amazon.com. The first time you go here, it will ask you to select the charity you wish to support. Ours is listed as River Park Neighborhood Association, with a location designation of South Bend, IN. Once it is set, then every time you go there it will default to that same charity until you change it. But the key to success is to bookmark or otherwise continue to use [Smile.Amazon.com](https://www.amazon.com/smiles) instead of just Amazon.com.

### Historic Fire Station #9: Its Past, Present, and Future - Taylor Wiley

The original Fire Station #9, located on 2520 Mishawaka Avenue, has a rich past that ties in greatly with the history of River Park as a whole. Its completion in 1927 was a part of an annexation deal between River Park, which was previously an independent town, and the City of South Bend.

The fire station, along with other items outlined in the annexation agreement such as promising to install a water main on Mishawaka Avenue (River Park had no public water supply, which also hampered street improvements the town was in need of at the time!), were some of the very reasons that River Park voted to annex with South Bend in the November 1910 election.

In short, the fire station is one of the key assets promised that encouraged River Park residents to vote to be annexed by South Bend over Mishawaka.

Today, the fire station sits unused. It was replaced by the new Fire Station #9 on 2108 Mishawaka Avenue in July of 2019, and Palmer Funeral Homes purchased the building in late 2020. Fortunately, Palmer is open to ideas about what to do with the building. Hopefully, the firehouse will evolve to serve our community in a way that, while different from its original purpose, will still be vital.

Enjoying God's Creation

by Sharon Jojo

It was early one Sunday morning in June. I was sitting on the porch admiring the peaceful beauty. My next door neighbor came over and told me there was a little bird stuck under one of my roof shingles. The sparrow was chirping away frantically. I saw my other neighbor out across the street and called to him to see if he would help. He got out my extension ladder. I live in a house that is a story and a half. The ladder was too short to reach the roof safely.

About that time another neighbor was riding by on his bike and he stopped to help. His wife also came over. The five of us were standing by my rose trellis. We were trying to figure out what to try next. The bird had gotten awfully quiet; its chirping had ended.

Fortunately, the little sparrow had gotten loose. GOD had freed the little sparrow. The five neighbors had also gotten to know each other better.

It helps to have good neighbors. Sit on your porch and see what happens.

With our compliments

## Art Works Installed at River Park Branch Library

The St Joseph County Public Library (SJ CPL) and South Bend Museum of Art (SBMA) celebrate the installation of five works of art inspired by the late Charlotte Hunt and her love of the River Park Neighborhood. Charlotte Hunt lived with her family in River Park for many decades. Come see these finished artworks at the River Park Branch Library.

- Stephen Barany (South Bend, IN), *River Park: South Bend's Living Treasury* First Prize Winner
- James Jursinic (Mishawaka, IN), *Ripple Effect*

- Peg Luecke (South Bend, IN), *September Song, River Park*
- Greg Potter (Franklin, IN), *Un día en el Parque*

All residents can be a Neighborhood Crime Watch Captain. All you need is a phone and a willingness to let your close neighbors know about any crime in your neighborhood that is passed on by phone to you by the SBPD.

Call RPNA President and Safety Committee Chair Phil Niswonger @ 287-2270.

## A Legislative Update from Representative Maureen Bauer:

The Indiana General Assembly has reached the halfway point of the 122nd legislative session.

The year 2021 brings a new and challenging legislative session. There are many urgent issues that need our attention before we adjourn on April 29. Now is the time for bold, urgent action to assist the recovery efforts from the economic and health impacts of the COVID-19 pandemic to provide real relief to Hoosiers.

In the first weeks of session, I joined my colleagues in supporting bi-partisan legislation, as well as authoring and co-authoring critically important bills. I would like to highlight a few issues that focuses on delivering meaningful relief to workers, families and small businesses as the COVID-19 pandemic persists:

- Create the Student Learning Recovery Grant to fund K-12 recovery earning programs and remediation for students who experienced learning loss.
- Provide full funding tuition support to traditional public schools for all modes of teaching and learning for the entire 2020-2021 school year.
- Reform our criminal justice system by requiring use-of-force and de-escalation training for law enforcement officers.
- Expand Indiana's current Safe Haven Law to prevent infant abandonment and abuse.

Additionally, I have introduced progressive healthcare legislation to improve health outcomes in Indiana, and expand access to quality, affordable healthcare. House Bill 1245 to increase protections at the workplace for pregnant employees and House Bill 1350 to reduce our infant and maternal mortality rates by expanding coverage for doula services to private insurance.

As we progress through this legislative session, please do not hesitate to contact me at 1-800-382-9842 or [H6@in.gov](mailto:H6@in.gov) with any questions, comments, or concerns about state government. It is an honor to advocate at the Indiana Statehouse on your behalf, and work to improve the lives of all Hoosiers.

State Representative Maureen Bauer, House District 6
